Model free digital RUSH cases carry a fee. Turnaround time for model free digital RUSH cases is 3 business days, beginning when the case file is received from the scan provider (may vary for lithium disilicate cases). DDS Lab cannot commit to a return date until we have received the case in lab. Turnaround time is measured in business days and the above dates include 2-day shipping from the lab. Measurements begin when the case is at DDS Lab and end when the case is delivered to the customer. *Non-adjacent teeth only. Adjacent teeth of 3 or more require a printed model.

*PLEASE NOTE: Turnaround times estimated above are an average of all implant systems and case types. "Standard package" means parts are selected by DDS Lab. All other implant packages or requests for specific implant systems (not selected by DDS Lab) may result in alternate return dates. **To confirm the most accurate and current return date, please email: implants@ddslab.com.** Turnaround time is measured in business days and the above dates include 2-day shipping to, and 2-day shipping from the lab. Measurements begin when the case is shipped to DDS Lab and end when the case is delivered to the customer.
