

Q2 2026 Scheduling Guide

From single unit anterior restorations to comprehensive smile transformations,

Curate brings predictability, collaboration, and esthetic confidence to every stage of treatment.

From the day your case is received by DDS Lab, fabrication is completed within 14 business days before shipment; please reference the scheduling calendar for total door-to-door timing

	SHIPS TO LAB 29 Returns July 23	SHIPS TO LAB 30 Returns July 24			

Door-to-Door turnaround time begins when the case leaves your office and ends when the case is delivered back. Due dates are subject to change if a case is placed out of production for reasons including, but not limited to, Design Vault™ Design Review, missing Rx information, technical questions, or failed impressions or scans. Turnaround times may also be impacted by unforeseen circumstances such as severe weather, natural disasters, carrier disruptions, or other external factors.
