### STEP 1

Sign up for our online portal **MyDDSLab.com**. Every DDS Lab customer can register FREE of charge.

Use this link to register:

[https://go.ddslab.com/register\\_mydds\\_lab](https://go.ddslab.com/register_mydds_lab)

### STEP 2

After you've signed up, your Account Manager will reach out to you and provide your login credentials.

### STEP 3

Once you've received your login info, login at **MyDDSLab.com**.

After you've successfully logged on, navigate to "Prescriptions" within the portal.

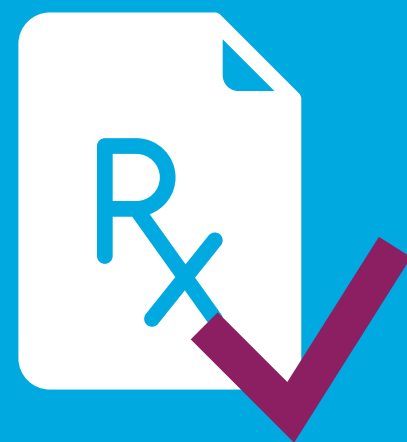

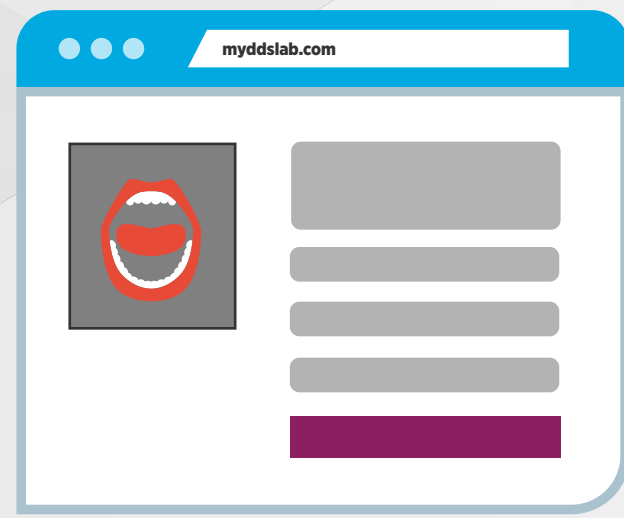

### STEP 4

Select the type of prescription. (Crowns & Bridges, Ortho, Removables, Implants or NightGuard)

### STEP 5

Fill out our step-by-step form, and finalize your patient's prescription.

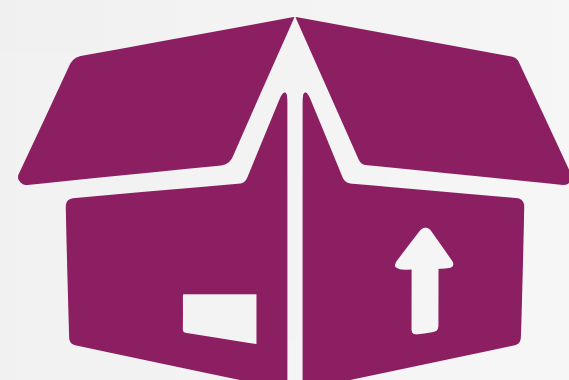

### STEP 6

Now, we have your prescription in our system, before you've even sent your patient's case.

### STEP 7

Print the prescription and put it into your physical patient's case. We will send you status-updates on your patient's case.
